General Information

1. What Is *Circular 14*?

Circular 14: Textbooks is an annual publication that provides a list of texts approved by the Minister of Education for use in Ontario schools. A supplement published in the spring, *Circular 14A*, provides a listing of additional approved texts and changes to existing ones. A second supplement, formerly published in the fall, *Circular 14B*, has been discontinued.

In addition to the printed format, *Circular 14: Textbooks* is available online through the ONTERIS database, which is produced by the Ontario Ministry of Education. The Learning Materials subfile of the database contains descriptions of all the approved texts listed in *Circular 14*. Individuals or agencies interested in obtaining online access to the database should contact:

Renseignements généraux

1. Qu'est-ce que la *Circulaire 14*?

La *Circulaire 14 – Manuels scolaires* donne annuellement la liste des manuels approuvés par le ou la ministre de l'Éducation qui pourront être utilisés dans les écoles de l'Ontario. Le supplément du printemps, la *Circulaire 14A*, complète cette liste et y apporte des corrections. La *Circulaire 14B*, qui auparavant paraissait à l'automne, a été supprimée.

Il est également possible d'avoir directement accès à la liste de la *Circulaire 14* par l'entremise de la base de données d'ONTERIS du ministère. Le sous-fichier sur le matériel didactique d'ONTERIS contient la description des manuels agréés de la *Circulaire 14*. Les particuliers ou les organismes qui désirent avoir accès à la base de données doivent communiquer avec :

(2) Si aucun des manuels prévus pour un programme d'études ne figure sur la liste des manuels approuvés par le [ou la] ministre, le directeur [ou la directrice] de l'école et les enseignants intéressés choisissent, s'ils le jugent nécessaire, un manuel approprié qui, sous réserve de l'approbation du conseil, peut être utilisé par les élèves.

(4) Le conseil met gratuitement à la disposition des élèves inscrits dans une école de jour qu'il administre les manuels choisis en vertu des paragraphes (1) et (2) et qui correspondent aux programmes des élèves.

3. Selection of Textbooks

a) Textbooks Chosen From *Circular 14*

In all subject areas for which approved texts are listed in *Circular 14*, selection must be made from this list unless section 3(b) below applies or permission to use another text has been granted by the Minister. The texts selected for use must be approved by board resolution (see the Education Act, sections 235 and 236). Although there are texts listed in *Circular 14* for Ontario Academic Courses, teachers may select other materials that they deem appropriate, subject to the approval of the local school board.

b) Textbooks and Reference Materials Requiring Only Board Approval

In those subject areas and programs for which no texts are listed in *Circular 14* (e.g., English literature, *littérature française*, literature in modern languages and classics courses, shorthand, and special education), texts provided by the school board are to be selected by the principal of each school in consultation with the teachers. The selection is to be approved by board resolution (see the Education Act, sections 235 and 236).

The provision for local selection and approval of texts also applies to those subjects and programs for which the texts listed do not provide sufficient material for the entire course. A note to this effect accompanies the listings for the appropriate guidelines in *Circular 14*. This provision also applies to specific aspects of certain subjects and programs such as *anglais*, classical studies, English, family studies, *français*, French, language arts, law, modern languages, shorthand, special education, and visual arts.

In language programs, reading and reference materials, including novels, periodicals, plays, poetry, short stories, single-genre anthologies, and dictionaries, do not require ministry approval. These kinds of materials are considered an essential part of language programs and should be approved by local school boards. *Circular 14* does, however, list multigenre anthologies that are accompanied by or contain significant complementary materials and can be used as complete, balanced language programs.

Instructional guides for specific computer software are not listed in *Circular 14*. When such guides are to be used in computer studies or business studies courses, they are to be approved and selected locally.

Where texts are to be selected locally, as outlined in this section, preference should be given to texts written or edited by Canadians and printed and bound in Canada.

3. Le choix des manuels scolaires

a) Choix de manuels figurant dans la *Circulaire 14*

Dans toutes les matières pour lesquelles la *Circulaire 14* donne une liste de manuels agréés, il faut choisir des ouvrages figurant sur cette liste, à moins que le paragraphe 3(b) qui suit s'applique ou que l'on ait reçu du ou de la ministre l'autorisation de faire un autre choix. Les manuels choisis doivent être approuvés par une résolution du conseil scolaire (voir la *Loi sur l'éducation*, articles 235 et 236). Bien qu'il y ait dans la *Circulaire 14* des manuels qui peuvent être utilisés dans les cours préuniversitaires de l'Ontario, les enseignants et enseignantes peuvent choisir d'autres ouvrages qu'ils jugent appropriés, à la condition qu'ils soient approuvés par leur conseil scolaire.

b) Choix de manuels et d'ouvrages de référence ne nécessitant que l'approbation du conseil scolaire

En ce qui concerne les matières et les programmes pour lesquels la *Circulaire 14* ne donne aucune liste de manuels scolaires (par exemple : la littérature anglaise, la littérature française, les grands auteurs anciens, classiques et modernes, la sténographie et l'enseignement à l'enfance en difficulté), c'est le directeur ou la directrice de chaque école qui, en consultation avec les enseignants et enseignantes, doit choisir les ouvrages que le conseil scolaire va fournir. Ce choix doit être approuvé par une résolution du conseil scolaire (voir la *Loi sur l'éducation*, articles 235 et 236).

La disposition relative au choix et à l'approbation des manuels scolaires au niveau local s'applique également aux matières et aux programmes pour lesquels chaque ouvrage que l'on retrouve dans la liste ne couvre pas toute la matière du cours. On trouvera une note à cet effet dans la *Circulaire 14*, sous le titre des programmes-cadres concernés. Cette disposition s'applique à des aspects précis de matières et de programmes (anglais, études classiques, English, sciences familiales, français, French, arts du langage, droit, langues vivantes, sténographie, enseignement à l'enfance en difficulté et arts visuels).

Le matériel de lecture et les ouvrages de référence (romans, périodiques, pièces de théâtre, recueils de poésie et de nouvelles, anthologies ne portant que sur un genre, dictionnaires) de programmes d'enseignement d'une langue n'ont pas à recevoir l'approbation du ministère. Ce type de matériel est considéré comme étant une partie essentielle d'un programme d'enseignement d'une langue et ne nécessite que l'approbation du conseil scolaire. Par ailleurs, la *Circulaire 14* énumère des anthologies incluant différents genres qui sont accompagnées d'un matériel d'appui considérable et qui peuvent constituer un programme complet et équilibré d'enseignement d'une langue.

La *Circulaire 14* ne contient pas de guides pour les logiciels. Ceux-ci devront être choisis et approuvés au niveau local si l'on désire en utiliser dans les cours d'informatique et d'affaires et commerce.

Lorsque les manuels scolaires sont choisis au niveau local, en vertu de ce qui précède, il y a lieu de donner la préférence aux ouvrages d'auteurs et d'éditeurs canadiens, imprimés et reliés au Canada.

c) Textbooks Requiring Ministry Permission

A request for permission to use a text not listed in *Circular 14*, or not covered under section 3(b) above, must be submitted by the chief education officer for a school board to the regional director of education for the attention of the Head, Information Systems, Centre for Curriculum Resources and Technologies, Learning Programs Division. The request should include a statement to the effect that the board has approved the use of this text and one copy of the text, which will be returned.

d) Textbooks for Non-Guideline Courses

Courses not included in the rationale of existing ministry guidelines require ministry approval for purposes of credit towards the Ontario Secondary School Diploma. Permission is also required for texts to be used in connection with such courses.

A submission for the approval of a non-guideline course should include a list of the text(s) proposed for use and a statement to the effect that the board has approved the use of the text(s).

e) Language of Textbooks

For classes and schools established under part XI of the Education Act, "French Language Instruction", the texts selected by school boards shall be in the language of instruction of the program or course in which they are used unless permission is given by the regional director of education to do otherwise.

4. General Information Regarding Textbooks and Kits

a) Eligibility for Evaluation for *Circular 14*

Materials to be evaluated for possible inclusion in *Circular 14* must meet the following criteria:

- Wherever possible, books and kits must be written by a Canadian citizen or citizens and printed and bound or manufactured in Canada.
- The content must be accurate, and of sound scholarship, and have contemporary relevance.
- The materials must be consistent with one or more curriculum guidelines developed by the Ministry of Education and support a substantial part thereof.
- The materials must be free from racial, national or ethnic, religious, cultural, or sex bias or bias towards the aged, the disabled, persons in certain occupations, or individuals belonging to a specific group.
- The book or kit must be intended for pupil, not teacher, use.

c) Manuels nécessitant l'approbation du ministère

L'agent ou l'agente en chef d'éducation du conseil scolaire doit soumettre au directeur régional ou à la directrice régionale de l'éducation, à l'attention du chef de l'Unité des systèmes d'information, Division des programmes d'enseignement du ministère de l'Éducation, toute demande relative à l'utilisation de manuels scolaires ne figurant pas dans la *Circulaire 14* ou n'entrant pas dans les catégories d'ouvrages mentionnées à l'article 3(b) ci-dessus. Il faut préciser dans la demande que le conseil scolaire en a approuvé l'utilisation et y joindre les manuels en question, lesquels seront retournés.

d) Manuels utilisés dans les cours non inspirés d'un programme-cadre

Tout cours se plaçant en marge des programmes-cadres du ministère doit être approuvé par le ministère pour donner droit à un crédit en vue de l'obtention du diplôme d'études secondaires de l'Ontario. Il faut aussi obtenir une permission pour tous les ouvrages qui seront utilisés dans ces cours.

Toute demande d'approbation de cours non inspirés d'un programme-cadre doit comporter une liste des manuels que l'on prévoit utiliser et une note indiquant que le conseil scolaire en a approuvé l'utilisation.

e) Langue dans laquelle doivent être rédigés les manuels

Les manuels choisis par les conseils scolaires pour être utilisés dans les classes ou les écoles instituées en vertu de la onzième partie de la *Loi sur l'éducation*, «Enseignement en français», doivent être imprimés dans la langue d'enseignement du programme ou du cours dans le cadre duquel ils sont utilisés, sauf si le directeur régional ou la directrice régionale de l'éducation permet qu'il en soit autrement.

4. Renseignements généraux concernant les manuels scolaires et les troussees

a) Critères d'admissibilité à l'évaluation des manuels et des troussees devant figurer dans la *Circulaire 14*

Les manuels et troussees devant être évalués en vue de figurer dans la *Circulaire 14* doivent répondre aux critères suivants :

- Dans la mesure du possible, les manuels et les troussees doivent être rédigés par un, une ou plusieurs citoyens canadiens et imprimés et reliés ou fabriqués au Canada.
- Le contenu doit être exact, constituer une base d'enseignement solide et concerner notre époque.
- Le matériel doit être conforme aux exigences d'un ou de plusieurs programmes-cadres du ministère de l'Éducation et étayer une bonne partie de son contenu.
- Le matériel doit être exempt de tout préjugé de race, d'origine nationale ou ethnique, de religion, de culture, de sexe, d'âge ou exempt de préjugé envers des personnes handicapées ou des personnes exerçant un certain métier ou une certaine profession ou envers un groupe de personnes en particulier.
- L'ouvrage ou la trousse doit être destinée à l'élève et non aux enseignants et enseignantes.

– A book must be of such a nature that it would be purchased in multiple copies for use by a class or groups of students.

The following types of materials are not eligible for *Circular 14* evaluation and listing:

- workbooks and consumable materials,
- teachers' guides,
- laboratory materials,
- kits consisting mainly of consumable items,
- manipulative materials,
- games and puzzles,
- reading materials such as novels, periodicals, plays, poetry, short stories, and single-genre anthologies,
- reference materials such as dictionaries and grammar books,
- computer software and instructional guides for computer software.

b) Approval Procedures

A publisher or distributor who wishes to have a book or a kit considered for *Circular 14* listing submits nine copies of the material to the Head, Information Systems, Centre for Curriculum Resources and Technologies, Learning Programs Division, Ministry of Education. If the submission is eligible for evaluation, the ministry then sends a copy to each of several evaluators for comments and recommendations. Evaluators include classroom teachers, other specialists from the educational community, and at least one person with expertise in the evaluation of materials for bias. The items are examined on the basis of established criteria, and reports are submitted to the ministry. These reports are reviewed in detail, and a decision is made under the authority of the Minister of Education with respect to *Circular 14* listing.

c) Local Evaluation of Textbooks

In order to accommodate individual differences among students, schools need flexibility in the selection of titles. Several approved texts are therefore listed for use in courses based on many of the curriculum guidelines. All materials to be used as texts should be evaluated by the appropriate teaching staff members before recommendations are made to the principal regarding the materials to be selected as texts.

d) Reading Levels

The variation in reading levels of titles listed for any one guideline in *Circular 14* enables teachers to choose texts that will accommodate the range of students' reading abilities. The ministry has not assigned reading-level designations to the texts. It is preferable for each teacher to determine the suitable reading level of materials for use by his or her students. In addition to the vocabulary used, conceptual level, and style of writing, other factors such as student motivation, maturity, cultural background, abilities, and experience should be considered when selecting suitable texts.

– L'ouvrage doit être tel que l'on puisse en acheter plusieurs exemplaires pour une classe ou un groupe d'élèves.

Voici une liste de matériel qui ne peut ni être évalué pour la *Circulaire 14* ni y figurer :

- les cahiers d'exercices et le matériel d'une utilité temporaire;
- les guides pédagogiques;
- le matériel de laboratoire;
- les trousseaux contenant essentiellement des articles d'une utilité temporaire;
- le matériel de manipulation;
- les jeux et les casse-tête;
- le matériel de lecture tels les romans, les périodiques, les pièces de théâtre, les recueils de poésie et de nouvelles, et les anthologies ne portant que sur un genre;
- les ouvrages de référence tels les dictionnaires et les grammaires;
- les logiciels et les guides pour les logiciels.

b) Processus d'approbation

Une maison d'édition ou de distribution qui veut faire examiner un ouvrage ou une trousse en vue de le ou la voir figurer dans la *Circulaire 14* doit en soumettre neuf exemplaires au chef de l'Unité des systèmes d'information, Centre de technologies et de ressources didactiques, Division des programmes d'enseignement, ministère de l'Éducation. Si le matériel soumis répond aux critères d'admissibilité à l'évaluation, le ministère en fait parvenir un exemplaire à chacune des personnes chargées de l'évaluation à qui il demande de lui présenter des commentaires et des recommandations. Au nombre des évaluateurs figurent des enseignants et enseignantes, d'autres spécialistes du monde de l'éducation et au moins une personne spécialisée dans l'évaluation de matériel afin d'en déterminer l'objectivité. Le matériel est examiné selon des critères établis et fait ensuite l'objet de rapports qui sont soumis au ministère. On étudie ces rapports en détail et on décide, avec l'approbation du ou de la ministre de l'Éducation, s'il y a lieu ou non d'inscrire le matériel dans la *Circulaire 14*.

c) Évaluation des manuels scolaires au niveau local

Pour donner aux écoles une certaine latitude dans le choix de manuels qui répondent aux besoins propres à chaque élève, on donne une liste de différents ouvrages agréés qui peuvent être utilisés dans des cours inspirés d'un grand nombre de programmes-cadres. Tout matériel destiné à être utilisé comme manuel scolaire devrait être évalué par des membres compétents du personnel enseignant avant d'être recommandé au directeur ou à la directrice d'école.

d) Niveaux de lecture

Les manuels énumérés dans la *Circulaire 14* pour chaque programme-cadre sont à des niveaux de lecture suffisamment variés pour que les enseignants et enseignantes puissent choisir des ouvrages qui conviennent aux capacités diverses des élèves. Le ministère s'est abstenu d'indiquer un niveau de lecture pour les manuels. Il est préférable que chaque enseignant ou enseignante détermine le niveau qui convient à ses élèves. Outre le vocabulaire utilisé, le niveau conceptuel et le style, on doit prendre en ligne de compte, lorsqu'on choisit des manuels, d'autres facteurs comme la motivation, la maturité, le milieu culturel, les aptitudes et l'expérience des élèves.

e) Reference Materials

In addition to textbooks adopted for student use, schools may wish to have available in the classroom and the school library resource centre a selection of reference materials to support the school curriculum and to facilitate the development of resource-based programs. Such materials may include copies of titles from *Circular 14* not selected for use as texts, books and audio-visual materials listed in ministry curriculum guidelines, and other materials chosen from publications such as *Canadian Materials for Schools and Libraries*, available from:

Canadian Library Association

5. Textbooks for Core French-As-a-Second-Language Programs

Listings for French As a Second Language in 'Circular 14, 1990' was the last edition of the chart to be published. Textbooks for core French programs are no longer listed on the basis of accumulated hours of French. It is the responsibility of each school board to ensure that a selected instructional sequence for a core French program continue uninterrupted to the final year in which French is offered.

Section 3(a) of the preliminary pages applies to the selection of textbooks for core French programs. If a textbook is approved for basic or general level courses only, a note to this effect appears below the listing in the circular.

6. Expenditures on Textbooks

The basic legislative grant for texts as well as the new learning materials funding incentive programs are included in the grants for ordinary and extraordinary expenditures. Consequently, the responsibility for ensuring that adequate expenditure is made on texts lies with school board officials. The importance of having an adequate supply of up-to-date texts and other learning materials that are relevant to the school curriculum and consistent with sound pedagogical practices cannot be overestimated.

Texts selected from *Circular 14* and purchased by a school board remain the property of the board and are intended to be used for more than one school year.

e) Matériel de référence

À part les manuels scolaires à l'usage des élèves, on voudra sans doute doter les salles de classe et le centre de ressources de l'école d'un choix de matériel de référence destiné à appuyer le programme scolaire et à faciliter l'élaboration de programmes axés sur les ressources. Cette catégorie de matériel peut comprendre des titres qui figurent dans la *Circulaire 14* et qui n'ont pas été adoptés comme manuels scolaires, des livres et du matériel audio-visuel indiqués dans la liste de ressources des programmes-cadres du ministère ou d'autre matériel tiré d'un catalogue comme le *Canadian Materials for Schools and Libraries* publié par la :

Canadian Library Association
151, rue Sparks
Ottawa (Ont.)
K1P 5E3

ou les catalogues *Choix – Documentation audio-visuelle* et *Choix – Documentation imprimée*, ou *Choix jeunesse – Documentation imprimée*, que l'on peut se procurer à la :

Centrale des bibliothèques
1685, rue Fleury est
Montréal (Qc)

5. Manuels scolaires pour les programmes de base de français langue seconde

La partie intitulée «Ouvrages destinés à l'enseignement du français langue seconde figurant dans la *Circulaire 14*» a été supprimée ainsi que le tableau qu'elle contenait. Les manuels destinés aux programmes de base de français langue seconde ne sont plus classés selon le nombre d'heures de français accumulées. Il incombe aux conseils scolaires d'offrir, d'une année à l'autre, des programmes suivis, et ce sans interruption jusqu'à la dernière année d'études du français.

L'article 3(a) des pages préliminaires s'applique au choix des manuels destinés aux programmes de base de français. Si un manuel n'est approuvé que pour le niveau fondamental ou général, une mention l'indique sous l'entrée.

6. Les dépenses en manuels scolaires

La subvention générale de base concernant les manuels scolaires ainsi que les nouveaux programmes d'encouragement à l'achat de matériel d'apprentissage sont compris dans les subventions applicables aux dépenses ordinaires et extraordinaires. Il appartient donc aux responsables des conseils scolaires de veiller à ce que des sommes suffisantes soient consacrées aux manuels. On ne peut trop insister sur l'importance de se procurer une quantité suffisante de manuels et de matériel didactique à jour, respectant les programmes scolaires et conformes aux bonnes méthodes d'enseignement.

Les manuels qu'un conseil scolaire choisit dans la *Circulaire 14* et achète lui appartiennent et sont destinés à être utilisés pendant plus d'une année scolaire.

Approuvé pour les cours élaborés à partir de programmes-cadres qui ont été remplacés. Bien que certains programmes-cadres qui ont été remplacés ne soient pas mentionnés dans la présente édition de la *Circulaire 14*, les écoles peuvent continuer d'offrir des cours élaborés à partir de ces programmes-cadres pour une durée limitée; les manuels scolaires accompagnés de la présente note ne peuvent être utilisés que dans le cadre de ces cours. Les programmes-cadres qui ont été remplacés figurent dans les éditions précédentes de la *Circulaire 14*.

Autorisé provisoirement. Les manuels accompagnés de cette mention seront retirés de la *Circulaire 14* lorsque du matériel correspondant mieux au vécu de l'élève ontarien(ne) sera offert sur le marché.

d) Numéros d'identification

Chaque titre figurant dans la *Circulaire 14* est précédé d'un numéro d'identification et du numéro normalisé international du livre (ISBN). Ce système a été adopté pour faciliter la tâche des conseils scolaires lorsqu'ils commandent des manuels.

e) Prices

The prices given in *Circular 14* are *net* prices. This means that the usual educational discount has been applied and the price listed for each entry is the price that a school board or a school will pay for that particular book. Shipping charges may be added to these net prices.

Prices quoted in *Circular 14* and its supplement are in effect for the calendar year in which the circular is published.

f) Series Listings

Booklets and other textual materials that form part of a series are listed under the series title. Individual titles can be located through the title index if the series title is not known.

g) Common Course Codes

The titles listed under some of the new guidelines include common course codes. The codes appear in bold at the end of each listing. The common course codes facilitate the selection of textbooks since they indicate the course(s) for which each text has been approved. Teachers will find complete lists of courses and their common course codes in the appropriate curriculum guidelines.

8. Special Learning Materials for Print-impaired Students

The W. Ross Macdonald School, a provincial resource centre for the visually impaired, provides special materials to assist local Ontario school boards to meet the needs of their print-impaired students.

The Resource Services Library program provides braille, audiotape, and large-print materials for print-impaired students.

In order to qualify for this service, a print-impaired student's need for the service must be approved by an ophthalmologist, an educational psychologist, or an educational consultant.

The Resource Services Library will attempt to provide all approved texts in the requested medium upon receipt of the appropriate forms. Forms may be obtained by writing to or telephoning:

The Program Director, Resource Services
The W. Ross Macdonald School
350 Brant Ave.
Brantford, Ont.
N3T 3J9
Telephone: (519) 759-0730

e) Prix

Les prix indiqués dans cette publication sont des prix *nets*. Cela veut dire que la remise habituellement accordée aux écoles a été appliquée et que le prix figurant à côté de chaque titre est celui que le conseil scolaire ou l'école devra payer pour le livre. Des frais d'expédition peuvent être ajoutés aux prix nets.

Les prix indiqués dans la *Circulaire 14* et dans son supplément demeurent en vigueur pendant l'année civile au cours de laquelle est parue la circulaire.

f) Collections

Les brochures et autres manuels scolaires qui font partie d'une collection sont inscrits sous le titre de la collection concernée. Pour trouver un titre publié dans une collection dont on ignore le nom, on doit se reporter à la liste alphabétique des ouvrages.

g) Codes des cours

Les codes des cours tirés du système uniforme de codage des cours accompagnent les titres des ouvrages figurant sous certains des nouveaux programmes-cadres. Ces codes sont écrits en caractères gras. Comme ils indiquent le ou les cours pour lequel ou lesquels chaque ouvrage a été approuvé, ils aident les enseignants et enseignantes à choisir les manuels appropriés. Le personnel enseignant trouvera la liste complète des cours et les codes des cours dans les programmes-cadres appropriés.

8. Matériel didactique destiné aux élèves atteints d'une déficience visuelle

Deleted Books

The following titles, which have previously been included in *Circular 14*, are no longer approved as texts. They have been removed mainly because they are out of date and/or out of print, or because they have been replaced by new editions.

The books on this list may be used for two years subsequent to the current school year. School boards should establish procedures to ensure that deleted titles are not used as textbooks after the two-year period.

Ouvrages retirés

Les ouvrages ci-dessous, qui figuraient dans la *Circulaire 14*, ne sont plus agréés. Ils en ont été retirés parce qu'ils sont périmés, que l'édition est épuisée ou encore parce qu'ils ont été remplacés par de nouvelles éditions.

Les ouvrages qui figurent sur cette liste peuvent être utilisés pendant *deux* ans après l'année scolaire en cours. Les conseils scolaires devraient prendre des mesures afin que les livres retirés de la circulaire ne soient pas utilisés comme manuels après la période de deux ans.

Primary Division Schedule 1

Introduction

Schedule 1 contains the titles approved for use in the Primary Division. School boards will be required to provide texts selected from Schedule 1 in numbers sufficient for the use of their students.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their students.

These lists of texts include titles that may not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study, while others develop one or more topics in depth and provide enrichment or resource material.

The official curriculum policy document for the Primary Division is the general circular entitled *The Formative Years*. This document supersedes all former Primary Division curriculum guidelines. However, for convenience, texts in the Primary Division are categorized in *Circular 14* according to the subject headings used previously. It is expected that all texts will be used in accordance with both the policies outlined in *The Formative Years* and the recommendations for effective implementation contained in *Education in the Primary and Junior Divisions*.

Cycle primaire Liste 1

Introduction

La liste 1 énumère les titres agréés pour le cycle primaire. On demande aux conseils de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de cette liste.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire par année d'études comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants et enseignantes une quantité toujours plus grande de livres et d'autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés des élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent peut-être pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains de ces livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours, tandis que d'autres s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Le document officiel se rapportant aux programmes d'études du cycle primaire est le programme-cadre général intitulé *Les années de formation*, qui remplace tous les précédents. Cependant, pour des raisons de commodité, on a classé les manuels scolaires du cycle primaire, dans la *Circulaire 14*, sous les anciennes rubriques. On s'attend à ce que tous les manuels scolaires soient utilisés conformément aux directives énoncées dans *Les années de formation* et aux recommandations de mise en œuvre contenues dans *La formation aux cycles primaire et moyen*.

Les livres en français sont classés après les livres en anglais.

Le point (●) qui précède le titre d'un document indique qu'il est nouvellement inscrit ou qu'il apparaissait dans un des suppléments précédents (Circulaire 14A ou Circulaire 14B).

Junior Division Schedule 2

Introduction

Schedule 2 contains the titles approved for use in the Junior Division. School boards will be required to provide texts selected from Schedule 2 in numbers sufficient for the use of their students.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their students.

These lists of texts include titles that may not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study, while others develop one or more topics in depth and provide enrichment or resource material.

The official curriculum policy document for the Junior Division is the general circular entitled *The Formative Years*. This document supersedes all former Junior Division curriculum guidelines. However, for convenience, texts in the Junior Division are categorized in *Circular 14* according to the subject headings used previously. It is expected that all texts will be used in accordance with both the policies outlined in *The Formative Years* and the recommendations for effective implementation contained in *Education in the Primary and Junior Divisions*.

Cycle moyen Liste 2

Introduction

La liste 2 énumère les titres agréés pour le cycle moyen. On demande aux conseils scolaires de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de cette liste.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent activement un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants et enseignantes une quantité toujours plus grande de livres et d'autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés de leurs élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent peut-être pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains de ces livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours, tandis que d'autres s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Le document officiel se rapportant aux programmes d'études du cycle moyen est le programme-cadre général intitulé *Les années de formation*, qui remplace tous les précédents. Cependant, pour des raisons de commodité, on a classé les manuels scolaires du cycle moyen, dans la *Circulaire 14*, sous les anciennes rubriques. On s'attend à ce que tous les manuels scolaires soient utilisés conformément aux directives énoncées dans *Les années de formation* et aux recommandations de mise en œuvre contenues dans *La formation aux cycles primaire et moyen*.

Les livres en français sont classés après les livres en anglais.

A black dot (●) preceding a title indicates a new listing or a listing that has appeared in one of the previous supplements, Circular 14A or Circular 14B.

Le point (●) qui précède le titre d'un document indique qu'il est nouvellement inscrit ou qu'il apparaissait dans un des suppléments précédents (Circulaire 14A ou Circulaire 14B).

Intermediate Division Schedule 3

Introduction

Schedule 3 contains the titles approved for use in the Intermediate Division. School boards will provide texts selected from Schedule 3 in numbers sufficient for the use of their students.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their students.

These lists of texts include titles that may not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study, while others develop one or more topics in depth and provide enrichment or resource material.

For the selection of texts for literature and for courses for which the texts listed do not provide material for the complete course, see section 3(b), "Textbooks and Reference Materials Requiring Only Board Approval".

Cycle intermédiaire Liste 3

Introduction

La liste 3 énumère les titres agréés pour le cycle intermédiaire. On demande aux conseils scolaires de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de cette liste.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire par année d'études comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent activement un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants et enseignantes une quantité toujours plus grande de livres et d'autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés de leurs élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent peut-être pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains de ces livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours, tandis que d'autres s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Pour choisir des manuels devant être utilisés dans des cours de littérature ou des cours dont les manuels inscrits ci-dessous ne couvrent pas la matière au complet, veuillez vous reporter à la rubrique 3(b) «Choix de manuels et d'ouvrages de référence ne nécessitant que l'approbation du conseil scolaire».

Les livres en français sont classés après les livres en anglais.

A black dot (●) preceding a title indicates a new listing or a listing that has appeared in one of the previous supplements, Circular 14A or Circular 14B.

Le point (●) qui précède le titre d'un document indique qu'il est nouvellement inscrit ou qu'il apparaissait dans un des suppléments précédents (Circulaire 14A ou Circulaire 14B).

Since the books listed under the Technological Studies groupings below may not provide enough material for entire courses, section 3(b) of the preliminary pages applies to this guideline.

Étant donné que les manuels inscrits sous les différents secteurs des études technologiques ne couvrent pas nécessairement toute la matière des cours, l'article 3(b) des pages préliminaires s'applique à ce programme-cadre.

Senior Division Schedule 4

Introduction

Schedule 4 contains the titles approved for use in the Senior Division. School boards will provide texts selected from Schedule 4 in numbers sufficient for the use of their students.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their students.

These lists of texts include titles that may not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study, while others develop one or more topics in depth and provide enrichment or resource material.

The books listed under certain guidelines may not provide enough material for an entire course. To select texts for such courses, as well as texts for literature courses, see section 3(b), "Textbooks and Reference Materials Requiring Only Board Approval".

Cycle supérieur Liste 4

Introduction

La liste 4 énumère les titres agréés pour le cycle supérieur. On demande aux conseils scolaires de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de cette liste.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire par année d'études comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent activement un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants et enseignantes une quantité toujours plus grande de livres et d'autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés de leurs élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent peut-être pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains de ces livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours, tandis que d'autres s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Quelques manuels figurant sous certains programmes-cadres peuvent ne pas couvrir toute la matière du cours. Pour choisir des manuels devant être utilisés dans ces cours ainsi que dans les cours de littérature, veuillez vous reporter à la rubrique 3(b) «Choix de manuels et d'ouvrages de référence ne nécessitant que l'approbation du conseil scolaire».

Les livres en français sont classés après les livres en anglais.

A black dot (●) preceding a title indicates a new listing or a listing that has appeared in one of the previous supplements, Circular 14A or Circular 14B.

Le point (●) qui précède le titre d'un document indique qu'il est nouvellement inscrit ou qu'il apparaissait dans un des suppléments précédents (Circulaire 14A ou Circulaire 14B).

Ontario Academic Courses Schedule 5

Introduction

Schedule 5 contains the titles of some of the texts to be used with Ontario Academic Courses.

Regulation 262 requires school boards to purchase texts in numbers sufficient for the use of all their students, including those enrolled in Ontario Academic Courses.

The lists of texts under this schedule are not intended to be restrictive. Teachers may make their own choices in consultation with the principal and subject to the approval of the local school board.

These lists of texts include titles that may not provide material for an entire course. Some of these take a unique approach to a subject and cover only part of a course of study, while others develop one or more topics in depth and provide enrichment or resource material.

Cours préuniversitaires de l'Ontario Liste 5

Introduction

La liste 5 contient les titres de quelques-uns des manuels scolaires devant être utilisés dans les cours préuniversitaires de l'Ontario.

En vertu du *Règlement de l'Ontario 262*, les conseils scolaires sont tenus d'acheter des manuels en nombre suffisant pour tous les élèves, y compris ceux suivant les cours préuniversitaires de l'Ontario.

La présente liste de manuels n'est pas restrictive. En consultation avec le directeur ou la directrice d'école, les enseignants et enseignantes peuvent choisir les titres qu'ils jugent pertinents et les soumettre à l'approbation de leur conseil scolaire.

Les listes de manuels scolaires comprennent des livres qui ne couvrent peut-être pas toute la matière d'un cours. Certains livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours, tandis que d'autres s'étendent plus en profondeur sur un sujet ou un autre et fournissent une documentation supplémentaire utile et intéressante.

Les livres en français sont classés après les livres en anglais.

Le point (●) qui précède le titre d'un document indique qu'il est nouvellement inscrit ou qu'il apparaissait dans un des suppléments précédents (Circulaire 14A ou Circulaire 14B).

Courses developed from this guideline may be presented effectively from a variety of resources, without a basic textbook. See the preliminary pages, section 3(b), if a textbook is to be used and does not appear in the list below.

Les cours qui s'inspirent de ce programme-cadre peuvent être présentés efficacement à partir d'une variété de matériel didactique sans manuel de base. Si toutefois il est nécessaire d'utiliser un manuel et que celui-ci ne figure pas dans la liste qui suit, consulter l'article 3(b) des pages préliminaires.
